THIS AMENDED DECLARATION is made, published and declared this 16th day of September, 2005, by and among S&E Properties, LLC (the "Declarant") and is to be effective (replacing the original recorded restrictions filed as Instrument No. ~~200505200093499~~) as to any and all lots sold by the Declarant before September 21, 2005 and not as to any lots in Nora's Path remaining unsold by Declarant as of September 21, 2005, it being the intent of the Declarant that the original recorded restrictions remain in effect for the retained lots.

WHEREAS, the Declarant and/or its members are the fee simple owner of a certain tract of real property in Knox County, Tennessee, which real property is more particularly described in the original recorded restrictions filed as Instrument No. ~~200505200093499~~ and which description is incorporated herein by reference;

WHEREAS, the Declarant has caused to be prepared a plan for the subdivision of said real property into residential lots, said subdivision to be known as Nora's Path;

WHEREAS, the Declarant has caused a subdivision plat of the said real property to be filed in the Register's Office of Knox County, Tennessee as instrument No. ~~200505180092772~~; and

WHEREAS, it is to the benefit, interest and advantage of the Declarant and of each and every person or other entity hereafter acquiring any interest in said real property that certain covenants, restrictions, easements, assessments and liens governing and regulating the use and occupancy of the same be established, fixed, set forth and declared as covenants running with the land;

NOW, THEREFORE, in consideration of the premises, the Declarant does hereby publish and declare (except as relates to retained lots as aforesaid) (1) that all, and each and every part of, said real property is held and shall be held, conveyed, hypothecated, encumbered, leased, rented, used, occupied, improved and otherwise held and used subject to (a) the following covenants, conditions, restrictions, uses, limitations and obligations and (b) all easements, conditions, restrictions, etc., as set out in the Subdivision Plat, all of which are hereby declared and agreed to be in furtherance of a plan for the development and improvement of said real property, and (2) that said covenants, conditions, restrictions, uses, limitations and obligations shall run with the land and shall be a burden and a benefit to the Declarant, its successors and assigns, the Association and any person or legal entity acquiring or owning any interest in any portion of said real property or any improvements thereon, and their grantees, successors, heirs, executors, administrators, devisees and assigns.

Section 3. Additional Property Subject to this Declaration. Additional residential property and/or common areas which are not presently a part of the Property may be added to and become subject to this Declaration as desired by the Declarant. The decision to include additional property to be subject to this Declaration shall be at the sole discretion of Declarant. Declarant and/or affiliates of the Declarant currently own and may subsequently acquire additional land adjacent or contiguous to the Property or in the vicinity of the Property and probably will incorporate some or all of such additional land into this Declaration, but Declarant and/or affiliates of the Declarant are under no obligation to incorporate any such additional land into this Declaration.

ARTICLE III. THE ASSOCIATION

Section 1. Members. Every Person who is a record owner of a fee or an undivided fee interest of any Lot shall be a Member of the Association; provided, however, that anyone who holds such interest merely as security for the performance of an obligation, shall not be a Member. Membership shall be appurtenant to and may not be separated from ownership of any Lot. Ownership of such Lot shall be the sole qualification for membership. Owners of retained lots shall not be members and shall not be bound by the provisions hereof.

Section 2. Control by Declarant. The Declarant shall be a Member for each Lot owned by it until the same is sold and title transferred. Notwithstanding any other provision of this Declaration or any related document, the Declarant shall retain total control of the Association, the Property, the development thereof, and the improvements thereon, including, without limitation, plan approval, until the development is complete and all of the Lots have been sold and all land currently owned or hereafter acquired by the Declarant, or by affiliate of the Declarant, in the surrounding vicinity is developed and sold. However, Declarant may, at its option, transfer said control to the Members at such time as it deems appropriate.

Section 3. Voting Rights. The voting rights of the Membership shall be appurtenant to the ownership of a Lot, each Owner of a Lot being entitled to one (1) vote for each Lot owned. The Declarant's vote on any matter shall outweigh the aggregate vote of all other Members until the control granted to Declarant in this Article is transferred to the Members.

Section 4. Secured Parties. No individual or legal entity holding title to a Lot as security for any debt or obligation shall be considered an owner of such Lot, and such individual or entity shall not be entitled to membership in the Association or to cast a vote on any questions or matter affecting the administration of the Association.

Section 5. Voting. At every meeting of the Members, each of the Members shall have the right to cast his vote on each question. Subject to the Declarant's control and other rights set forth in this Declaration, the vote of the Members representing fifty-one (51%) percent majority of the total votes cast, with respect to any question, in person or by proxy, shall decide any question brought before such meeting, unless the question is one upon which, by express provisions of statute, the Association's Charter or By-Laws, or this Declaration, a different vote is required. In such case, such express provision shall govern and control. The vote of any membership which is owned by more than one person may be exercised by any of them present at any meeting unless an objection or protest by a co-owner of such membership is noted at such meeting. In the event all of the co-owners of any such membership who are present at any meeting of the Members are unable to agree on the manner in which the vote for such membership shall be cast on any particular question, then such vote shall not be counted for purposes of deciding that question. No Member shall be eligible to vote, either in person or by proxy, or to be elected to the Board of Directors, who is shown on the books or management accounts of the Association to be more than thirty (30) days delinquent in any payment due the Association.

Section 6. Proxies. A Member may appoint any other Member or the Declarant, or any other person permitted by law or by the By-Laws, as his proxy. In no case, may any Member, except the Declarant, cast more than one vote by proxy, in addition to his own vote. Any proxy must be in writing and must comply with all requirements imposed by law or by the By-Laws.

Section 7. Quorum. The presence, either in person or by proxy, of Members representing at least a fifty-one (51%) percent of the total votes entitled to be cast with respect to any question shall be requisite for, and shall constitute a quorum for, the transaction of business at all meetings of the Members. If the number of Members at a meeting drops below the quorum and the question of a lack of quorum is raised, no business may thereafter be transacted.

ARTICLE IV. PROPERTY RIGHTS AND EASEMENTS

Section 1. Owner's Easements of Enjoyment Over the Common Areas. Every Owner shall have a right and easement of enjoyment over and across the Common Areas, and such easement shall be appurtenant to and shall pass with the title to every Lot, subject to this Declaration and the following specific provisions:

- (a) The right of the Association, as provided in its Charter and/or By-Laws, to suspend any enjoyment rights of any Member;
- (b) The right of the Association, in accordance with its Charter and/or By-Laws, to improve and maintain the Common Areas;
- (c) The right of the Declarant and the Association, but not the obligation, to protect, maintain and inspect the Common Areas.

Section 2. Easements for Utilities and Related Purposes. The Declarant and/or the Association are authorized and empowered to grant such licenses, easements and/or rights-of-way for water lines, electrical cables, telephone cables, television and other communication cables, internal and external wiring and antennae, gas lines, storm drains, underground conduits and/or such other purposes related to the provision of public utilities and other common services to the Property as may be considered necessary, appropriate or desirable for the orderly maintenance, presentation of the health, safety, convenience and/or welfare of the Owners and the Declarant.

Section 3 General Easement. The Declarant hereby reserves for itself and the Association the right and easement to the use of any Lot or any portion thereof, as may be needed for repair, maintenance or construction on such Lot, any other Lot, or the drainage detention area located on lots #2, #3 and #4.

ARTICLE V. MAINTENANCE AND REPAIR

Section 1. Association Responsibilities. Except as otherwise stated in this Declaration, the Association shall provide and pay for all maintenance and expenses for the Common Areas, any improvements on the Common Areas including, without limitation, the entrance.

Section 2. Individual Lot Owners. Each Owner shall be responsible for the maintenance, painting, and proper upkeep of his Lot and all improvements thereon, including, without limitation, all areas within easements. Grass, weeds, and vegetation shall be kept mowed and all debris and animal waste shall be cleared at regular intervals from each Lot so as to maintain same in a neat and attractive manner. Additionally, each Owner shall be responsible for the maintenance and repair of that portion of curb located along their lot line.

Further, each Owner shall keep his residence in a condition comparable to its condition when initially constructed. In the event all or any portion of a residence is damaged or destroyed by fire or other casualty, then the Owner shall rebuild, repair or reconstruct said residence in a manner which will substantially restore same to its original condition or demolish the residence, at his discretion. Said rebuilding, repairing, reconstructing or demolition shall be completed within nine (9) months of the occurrence of the casualty. In the event the Owner of the Lot shall fail to comply with the terms and conditions of this Article in a manner reasonably satisfactory to the Board of Directors and in keeping with other Lots, the Declarant, in its sole discretion, or the Association, after approval of two-thirds (2/3) vote of the Board of Directors, shall have the right, through agents and/or employees, to enter upon said Lot and to repair, maintain and restore the Lot and to repair, maintain, restore or demolish the improvements thereon. The costs thereof, together with interest thereon and costs of collection thereof, shall be a binding personal obligation of such Owner, as well as, a continuing lien upon the subject lot upon the recording of a notice of lien with the Office of the Register of Knox County, Tennessee. The rights and remedies given to the Association by the Article of this Declaration dealing with assessments and nonpayment thereof shall apply fully to the debt obligations, including interest and costs of collection, and the lien rights created in this Section. Likewise, the terms and conditions of said Article dealing with subordination and mortgage protection shall be fully applicable.

ARTICLE VI. ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Each Owner of any Lot, by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association the assessments provided in this Article. Said assessments shall be fixed, established and collected from time to time as herein provided. All such assessments, together with such interest thereon and costs of collection thereof as are hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest thereon and cost of collection thereof, shall also be the personal obligation of the Owner of such Lot at the time when the assessment becomes due.

Section 2. Annual Assessments.

(a) Each Member shall pay to the Association an annual sum equal to the Member's proportionate share of the sum required by the Association, as estimated by its Board of Directors, to meet its annual expenses, including, but in no way limited to, the following:

- (1) The cost of all operating expenses of the Association and services furnished, including charges by the Association for its facilities, if any, any repayment of any indebtedness incurred by the Association and interest thereon; and
- (2) The amount of all taxes and assessments levied against the Association or upon any property which it may own or which it is otherwise required to pay, if any; and
- (3) The cost of extended liability insurance and the cost of such other insurance as the Association may effect; and
- (4) The cost of funding all reserves established by the Association, including, when appropriate, a general operating reserve and/or reserve for replacements; and
- (5) The estimated cost of repairs, maintenance and replacements of the entrance, drainage systems, the Common Areas and facilities thereon, equipment and other items.

(b) The annual assessment can be billed on a monthly or quarterly basis at the discretion of the Association's Board of Directors. For each Lot, the annual assessment shall first become due on the date of the closing of the sale of said Lot from the Declarant to the Owner. The assessment shall be prorated for the month of its commencement.

(c) Until January 1, 2007, the maximum annual assessment per lot per month to be paid to the Association shall be \$5.00/month.

(d) After January 1, 2007, the Board of Directors shall determine the amount of the annual assessment against each Lot at least thirty (30) days in advance

of each annual assessment period, but may do so at more frequent intervals should circumstances so require as provided in the By-Laws. The general annual assessment for each Lot shall be computed by dividing the total assessment attributable to the Property by the total number of Lots. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessment on a specified Lot has been paid.

Section 3. Special Assessments. In addition to the regular assessments authorized by this Article, the Association may levy a special assessment or assessments in any assessment year, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement for which the Association is responsible or for such other purposes as the Board of Directors may consider necessary, provided that such assessment shall have the assent of the Members representing two-thirds (2/3) of the total number of votes eligible to be cast. A meeting of the Members shall be duly called for this purpose, written notice of which shall be sent to all Members at least ten (10) days but not more than thirty (30) days, in advance of such meeting, which notice shall set forth the purpose of the meeting. Such assessment shall be prorated among the Members on the same basis as annual assessments.

Section 4. Emergency Assessments. In the event of any emergency situation, condition, or occurrence affecting the life, health, safety or welfare of the Members or the property of the Members, the Board of Directors may declare an emergency assessment in such amount and payable at such time as the Board, in its sole discretion, shall deem necessary. Such emergency assessment, except for the amount and time of payment, shall be governed by all other provisions of this Declaration. Such assessment shall be prorated among the Members on the same basis as annual assessments. The Board of Directors shall be fully protected and not liable for any mistake in judgment hereunder if the emergency assessment was made in good faith.

Section 5. Non-Payment Of Assessments. Any assessment levied pursuant to this Declaration, or any installment thereof, which is not paid on the date when due, shall be delinquent and shall, together with interest thereon and the cost of collection thereof, as hereinafter provided, thereupon become a continuing lien upon the Lot or Lots belonging to the Member against whom such assessment is levied and shall bind such Lot or Lots in the hands of the then Owner, his heirs, devisees, personal representatives and assigns. In order to evidence said lien, a notice of lien setting forth the amount of the indebtedness, the Owner's name, and a description of the Lot shall be recorded with the Office of the Register of Knox County, Tennessee. The personal obligation of the Member to pay such assessment shall, however, remain his personal obligation for the statutory period and a suit to recover a money judgment for non-payment of any assessment levied pursuant to the ByLaws, or any installment thereof, may be maintained without foreclosing or waiving the lien herein.

Any assessment levied pursuant to this Declaration or any installment thereof, which is not paid within ten (10) days after it is due, may, upon resolution of the Board of Directors, bear interest at a rate not to exceed the highest rate allowed under the laws of the State of Tennessee, and may, by resolution of the Board of Directors, subject the Member obligated to pay the same to the payment of such penalty or "late charge" as the said Board may fix. The Association may bring an action of law against the Member personally obligated to pay the same, or foreclose the lien against the Lot or Lots subject to prior mortgages or deeds of trust upon the Lot or Lots; in either event, the Association may collect from the Member interest, costs and reasonable attorneys' fees. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Property or abandonment of his Lot.

For the purpose of enforcing the lien of any unpaid and delinquent assessment, each owner irrevocably grants the Board of Directors of the Association the power to sell his unit at public outcry to the highest and best bidder for cash. The Board of Directors is authorized to make such a public sale if and only if such sale confirms with Sections 7 and 8 of this Article. The Association is hereby authorized to take any and all courses of action available to it for collection of the assessment which the laws of the State of Tennessee allow. Any such sale shall be made after first advertising the sale of said property for twenty-one (21) days by three (3) weekly publications in some newspaper in the County of Knox, State of Tennessee, giving notice of the time and place of such sale. Any sale of a Lot to enforce a lien for delinquent and unpaid assessments shall be free from equity of redemption, statutory right of redemption, marital rights, homestead, and dower and all other exemptions, all of which are expressly waived by the Owners; and any such sale and the lien enforced thereby shall take precedence over and have priority over any and all other liens of every nature against the Lot except real estate and advalorem taxes assessed against the Lot and prior recorded mortgages or deeds of trust

described in Section 7 of this Article. The proceeds of any such sale, whether under the power of sale or by foreclosure suit, shall be applied first to the payment of the expenses of protecting the Property and the expenses of litigation, attorney's fees, and sale commission; and second, to the payment of real estate and advalorem taxes assessed against the Lot and any prior recorded mortgages or deeds of trust as described above; and third, to the payment of all amounts due the Association under the terms of the Declaration and the By-Laws; and the balance, if any, to the Owner whose Lot is sold, and his assigns. Upon any default in the payment of the assessment, the Board of Directors shall have the right to all rents, issues, and profits from the Lot, in default and shall have the right to secure the payment through notice to those in possession of the Lot or by entry into possession in the same manner as the mortgagee entering into possession following default.

All rights, remedies and privileges granted to the Board of Directors or an Owner, pursuant to any terms, provisions and covenants and conditions of the Declaration and the By-Laws, shall be deemed to be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies nor shall it preclude the party thus exercising the same from exercising such other and additional rights, remedies or privileges as may be granted to such party by the Declaration and the By-Laws, at law or in equity.

Section 6. Acceleration of Installments. Upon default in the payment of any one or more installments of any assessment levied pursuant to this Declaration, the entire balance of said assessment may be accelerated at the option of the Board of Directors and be declared due and payable in full.

Section 7. Priority of Lien. The lien established by this Article shall have preference over any other assessments, liens, judgments or charges of whatever nature, except the following:

- (a) General and special assessments for real estate taxes on a Lot; and
- (b) The liens of any deeds of trust or mortgage instruments duly recorded on the Lot prior to the assessment of the lien thereon or duly recorded on said Lot after receipt of a written statement from the Association reflecting that payments on said lien were current as of the date of recording of said deed of trust or mortgage instrument.

Section 8. Subordination and Deed of Trust/Mortgage Protection. Notwithstanding any other provisions hereof to the contrary, the lien of any assessment levied pursuant to this Declaration upon any Lot shall be subordinate to, and shall in no way affect the rights of the holder of any indebtedness secured by, any recorded first deed of trust or mortgage (meaning a lien with priority over all other liens) if such deed of trust or mortgage is made in good faith and for value received; provided, however, that such subordination shall apply only to assessments which have become due and payable prior to a sale or transfer of such Lot pursuant to a decree of foreclosure or any other proceeding in lieu of foreclosure, and shall not in such instance apply to claims for a share of such assessments or charges resulting from a reallocation of such assessments or charges to all Owners, including the mortgaged units. Such sale or transfer shall not relieve the purchaser at such sale of the Lot from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment. Said lien, if any, shall have the same effect and be enforced in the same manner as provided herein.

No amendment to this Section shall affect the rights of the holder of any such deed of trust or mortgage (or the indebtedness secured thereby) recorded prior to recordation of such amendment unless the holder thereof (or the indebtedness secured thereby) shall join in the execution of such amendment.

Section 9. Additional Default First deed of trust or mortgage secured by a Lot shall provide that any default by the mortgagor in the payment of any assessment levied pursuant to this Declaration, or any installment thereof, shall like wise be a default in such deed of trust or mortgage (or the indebtedness secured thereby), but failure to include such a provision in any such instrument shall not affect the validity of priority thereof, and the protection extended to the holder of such instrument (or the indebtedness secured thereby) elsewhere in this Article shall not be altered, modified or diminished by reason of such failure.

ARTICLE VII. ARCHITECTURAL CONTROL

Section 1. Architectural Control Committee. An Architectural Committee is hereby established and shall consist of five (5) entities or persons (the "Committee"). The initial Committee shall consist of the Declarant until control of the Association is transferred to the Members. At that time, the Board of Directors of the Association shall have the authority to make appointments for two (2) addition member for the Committee. These Committee members shall serve for a period of two (2) years unless they are replaced by

the Board of Directors, resign or otherwise fail to serve. Upon the termination of any Committee member, the Board of Directors shall then appoint substitute Committee members; provided, however, that the Declarant shall have the absolute right to be one of the three (3) Committee members until the development is complete and all of the Lots have been sold and all land currently owned or hereafter acquired by the Declarant, by any affiliate of the Declarant, or by any entity related to the Declarant, in the surrounding vicinity is developed and sold. The affirmative vote of a majority of the membership of the Committee shall be required to adopt or promulgate any rule or regulation, or to make any findings, determinations, ruling or order, or to issue any permanent authorization or approval pursuant to directives or authorizations contained herein.

Section 2. Approvals Necessary, Rules of Committee and Remedies for Violation.

With the exception of improvements desired by the Declarant, no structure or improvement of any kind or nature, including septic tanks, or any fence or barrier shall be commenced, erected, placed, moved onto, or permitted to remain on any of the Lots nor shall any existing structure, improvement, fence or barrier upon any Lot be altered in any way which materially changes the exterior appearance thereof, without the written consent of the Committee; nor shall any new use be commenced on any Lot without the written consent of the Committee. Plans and specifications of all such improvements and uses shall be submitted to and retained by the Committee. They shall be in such form and shall contain such information as may be required by the Committee, but in any event shall include, without limitation, (1) a building plan and site plan showing the floor plans, exterior elevations, color scheme, kind, shape, height, materials and location with respect to said Lot (including proposed front, rear and side setbacks) of all structures, fences or barriers, and location of all parking spaces and driveways on the Lot and the proposed surface thereof, and (2) grading and landscape plans. The Builder selected to construct any residence shall be approved by the Committee in its sole and absolute discretion.

The Committee may promulgate rules governing the forms and content of plans to be submitted for approval or requiring specific improvements on the Lots, including, without limitation, the exterior lighting and planting, and may issue statements of policy with respect to approval or disapproval of the architectural styles or details or other matters which may be presented for approval. Such rules and such statements of policy may be amended or revoked by the Committee at any time, and no inclusion in, or omission from or amendment of any such rule or statement shall be deemed to bind the Committee to approve or disapprove any feature or matter subject to approval or to waive the exercise of the Committee's discretion as to any such matter; however, no change of policy shall affect the finality of any approval granted prior to such change. Approval for use on any Lot of any plans or specifications shall not be deemed a waiver by the Committee in its discretion to disapprove such plans, specifications, features or elements as are subsequently submitted for use on any other Lot. Approval of any such plans and specifications relating to any Lot shall be final as to that Lot, and such approval may not be revoked or rescinded thereafter provided that the plans and specifications as approved and a condition attached to any such approval have been adhered to and complied with in regard to all structures, improvements, fences or barriers on and uses of the Lot in question.

In the event the Committee fails to approve or disapprove any plans and specifications as herein provided within thirty (30) days after submission thereof, the same shall be deemed to have been approved as submitted and no further action shall be required.

The Committee shall have the right to charge a plan review fee of upto \$25.00 upon submission of the plans and specifications. If said fee is established by the Committee the Owner shall pay an additional fee for each additional review needed to comply herewith.

If any structure, improvement, fence or barrier shall be altered, erected, placed or maintained upon any Lot or any new use commenced on any Lot, otherwise than in accordance with plans and specifications approved by the Committee as required herein, such alteration, erection, maintenance or use shall be deemed to have been undertaken in violation of the restrictions herein and without the approval required herein; and upon written notice from the committee, and such structure, improvement, fence or barrier so altered, erected, placed or maintained upon any Lot, in violation hereof, shall be removed or altered, and such use shall be terminated so as to extinguish such violation.

If fifteen (15) days after the notice of such violation, the Owner of the Lot in question shall not have taken reasonable steps toward the removal, alteration or termination of the same, the Association, by its officers or directors, shall have the right, through its agents and employees, to enter upon such Lot and to take such steps as may be necessary to extinguish such violation, and the costs thereof shall be a binding personal obligation of such Owner, as well as, continuing lien upon the Lot in question upon the recording of a notice of lien with the Office of the Register' of Knox County, Tennessee. The provisions of

the Article of this Declaration dealing with assessments and non-payment thereof, including, without limitation, the right and remedies given to the Association therein, shall apply fully to the debt obligations, including interest and costs of collection, and the lien rights created in this section. Likewise, the terms and conditions of said Article dealing with subordination and mortgage protection shall be fully applicable.

Upon completion of the construction or alteration of any structure in accordance with the plans and specifications approved by the Committee, the Committee shall, upon written request of the Owner thereof, issue a letter of compliance identifying such structure and the Lot on which such structure is placed and stating that the plans and specifications, location of such structure and the use or uses to be conducted thereon have been approved and that such structure complies therewith. Preparation of such letter shall be at the expense of the Owner of such Lot. Any compliance letter issued in accordance with the provisions of this paragraph shall be *prima facie* evidence of the facts therein stated, and as to any purchaser or encumbrance in good faith and for value, or as to any title insurer, such compliance letter shall be conclusive evidence that all structures and improvements described therein and the use or uses described therein comply with all the requirements of these restrictions. Any agent of the Declarant or the Committee, may, at reasonable times, enter upon and inspect any Lot and any improvements thereon for the purposes of ascertaining whether the maintenance of such Lot and the maintenance, construction, or alteration of structures and improvements thereon are in compliance with the provisions of this Declaration, and no such persons shall be deemed to have committed a trespass or other wrongful act by reason of such entry or inspection.

ARTICLE VIII. CONSTRUCTION OF RESIDENCE

Section 1. Completion of Construction. Once construction of a residence is commenced, the particular Owner shall proceed diligently therewith and complete construction within twelve (12) months after said commencement. If said construction is not completed within said twelve (12) months, then the Owner shall owe to the Declarant a penalty equal to twenty percent (20%) of the original price of the Lot. Said amount shall be payable within thirty (30) days after the end of said eighteenth month and shall increase by an additional penalty of one percent (1.0%) of said price for each additional thirty (30) days it remains unpaid. Said penalties, together with costs of collection thereof, shall be a binding personal obligation of such Owner, as well as, a continuing lien upon the subject Lot upon the recording of a notice of lien with the Office of the Register of Knox County, Tennessee. The rights and remedies given to the Association by the Articles of this Declaration dealing with assessments and non-payment thereof shall apply fully to the debt obligations, including costs of collection, and the lien rights created in this Section for the benefit of the Declarant. The terms and conditions of this Section, including, without limitation, the time periods set forth for completion of construction, shall apply fully to any subsequent purchasers of any Lot.

Section 2. Subordination and Mortgage Protection. The subordination and mortgage protection provisions of the Article of this Declaration dealing with assessments and nonpayment thereof shall be fully applicable to all the rights and remedies of the Declarant created by this Article.

ARTICLE IX. RESTRICTIVE COVENANTS

Section 1. Residential Use. No Lot shall be used except for private residential purposes permitted by the R-1 Single Family Zoning Regulations of Knox County, Tennessee, as same exist and are in effect as of the date of this Declaration and except for those uses permitted to the Declarant as shown herein.

Section 2. Uses, Prohibited Uses and Nuisances. In order to provide for a congenial occupation of the residences to be built on the Lots and for the protection of the values of the entire development, the Lots and the residences to be constructed shall be governed by the following provisions:

(a) The Property is hereby restricted to private residential dwellings for residential use, and no trade or business of any kind shall be conducted on a Property, except such activities as may be permitted by the Planned Residential Zoning Regulations of Knox County, Tennessee, in effect as of the date of this Declaration and except for such uses permitted to Declarant shown herein. All buildings and structures erected upon the Property shall be of new construction, and no buildings or structures shall be moved from other locations onto the property. However, nothing in this paragraph is intended to limit or restrict, and same shall not limit or restrict, Declarant from constructing any structure upon, or moving any mobile home or trailer onto, the Property whether any of same be new or used, for use as an office or any other purpose related to the development, marketing and management of the Property. Nor shall same limit or

restrict Declarant from placing such signs or billboards or engaging in any such trades, businesses or activities on the Property which Declarant, in its discretion, shall deem appropriate and proper related to the development, marketing and management of the Property.

(b) Each Lot shall be conveyed as a separately designated and legally described freehold estate subject to the terms, conditions and provisions hereof and all easements, restrictions and covenants set out in the Subdivision Plat.

No fence, hedge or other separating device shall be constructed beyond the back house line, nor on corner lots beyond the side house line on the side road. Further, no fence, hedge or other separating device shall be constructed into the Association's planting easement. No business activity of any kind whatsoever shall be conducted in any building or in any portion of the Property; provided, however, the foregoing covenants shall not apply to the business activities, signs, and billboards or the construction and maintenance of buildings, if any, of the Declarant, its agents, and assigns during the development of the Property and the time period needed to sell the Lots.

(r) All outdoor equipment, air conditioning units, electrical transformers, garbage cans, recreational equipment, swingsets, playhouses, woodpiles or storage piles shall be kept screened by adequate planting or fencing so as to conceal them from view of all streets, and neighboring Lots and their location must be pre-approved by the Committee. Further, any and all of the foregoing items, along with any basketball goals or other playground or sports equipment shall be located and placed no closer to any street than the front of the house. "Front of the house" as used in this paragraph shall mean that part of the structure of the house farthest away from the street and also facing such street. Corner lots must comply with this restriction as to both streets. Gazebos and cabanas may be situated without the aforesaid screening if approved by the Committee. All playhouses, playground or sports equipment, other than basketball goals, must not be over eight feet tall, can not be brightly colored and must be located in the rear yard directly behind the footprint of the house. (u) No recreation vehicles or commercial vehicles, including, without limitation, boats, boat trailers, horse trailers, motorcycles, trucks, camping trailers, or similar type items shall be kept other than in a garage. No automobile or other vehicle shall be continuously or habitually parked in a yard, on any street or right-of-way.

(v) The minimum finished, heated, living area of any residence, excluding garages, storage rooms, workshops, basements, etc., shall not be less than 2,400 square feet with a minimum of 1,600 square feet on the main floor for one and a half or two story homes and not less than 1,800 square feet on the main floor for single story homes.

(w) No access to Thompson Road shall be allowed from any lot, unless approved by the Declarant.

(x) Setback lines and height restrictions shall be no less than those required by applicable governmental regulations and no less than those shown on the Subdivision Plat. The Committee shall have the absolute right to control the precise site and location of any house or other structure upon all Lots. Such location shall be determined only after reasonable opportunity has been afforded to the Owner to recommend a specific site.

(y) No Lot may be further subdivided. No portion of any Lot may be conveyed except with the prior written approval of the Committee.

(z) All above-ground exterior foundation and exposed basement walls must be veneered with stucco, Dryvit®, brick or stone unless otherwise approved by the Committee.

(aa) During construction of improvements and at all times thereafter, lots must be regularly cleaned and kept free of debris. County and State erosion and sediment control guidelines shall be observed at all times.

(bb) All driveways, walks and patios must be paved prior to occupancy of any dwelling and must be constructed of concrete unless otherwise approved by the Committee.

(cc) No coal-burning stoves shall be permitted, and no fireplace shall be allowed to emit any quantity or character of smoke or discharge deemed a nuisance or offensive to other residents or normal sensibilities.

(dd) Each lot may be improved with only one single-family dwelling, and no out-buildings, carports, sheds or any other structures shall be allowed.

(ee) The main body of all roofs must have an 10/12 pitch or steeper.

(ff) No vegetable gardens shall be allowed in front or side yards and must be sheltered from view of all streets and other residences.

(gg) All flashings on structures must be copper or painted metal.

(hh) All dwellings must have a veneer of brick, stucco, Dryvit® or stone. Exterior walls above a roof line, gables and dormers may be covered with siding or shake shingles. Siding must be Hardi Board and shake shingles must be either Hardi Board or vinyl. No aluminum, sheet material (4' X 8' plywood type) or vinyl siding will be allowed. Covered porches may have vinyl ceilings and vinyl wrapped beams.

(ii) The finished grading for all Lots shall be completed in conformity with the recorded plat for the Subdivision and in such manner as to retain all surface water drainage on said lot or lots in "property line swales" designed to direct the flow of all surface waters into the drainage easements as created by the overall drainage plan for the Subdivision as approved by the appropriate county authority.

(jj) The Declarant reserves unto itself the right to approve additional and separate restrictions at the time of sale of any of the Lots, which restrictions may differ from Lot to Lot.

(kk) Notwithstanding any provisions herein contained to the contrary, it shall be expressly permissible for the Declarant to maintain, during the time period necessary for the sale of said Lots, upon such portion of the premises as the Declarant deems necessary, such facilities as, in the sole opinion of the Declarant, may be reasonably required, convenient or incidental to the development of the Property and the sale of the Lots, including, without limitation, a business office, storage area, construction yard, signs, model units, and sales office.

(ll) There shall be no violation of any rules which may from time to time be adopted by the Board of Directors for the operation and use of the Property and promulgated among the membership by them in writing. The Board of Directors is hereby authorized to adopt such rules including the levying of appropriate fines.

(mm) The Declarant, in its sole discretion, or the Association, after approval by a majority vote of the Board of Directors, shall have the right, through agents and/or employees to enforce the aforesaid restrictive covenants and to enter upon any Lot in violation thereof for such purpose. Upon written notice from either the Declarant or the Association, any such violation shall be corrected by the Owner of the subject Lot. If fifteen (15) days after the notice of such violation, the Owner shall not have taken reasonable steps toward correction thereof, the Declarant or the Association, by their officers and directors, shall have the right, through agents and employees, to enter upon such Lot and take such steps as necessary to extinguish such violation. The costs thereof shall be the binding personal obligation of such Owners, as well as, a continuing lien upon the subject Lot upon the recording of a notice of lien with the Office of the Register of Knox County, Tennessee. The provisions of the Article of this Declaration dealing with assessments and non-payment thereof, including, without limitation, the right and remedies given to the Association therein, shall apply fully to the debt obligations including interest and costs of collection, and the lien created in this section. Likewise, the terms and conditions of said Article dealing with subordination and mortgage protection shall be fully applicable.
